LET US HELP YOU

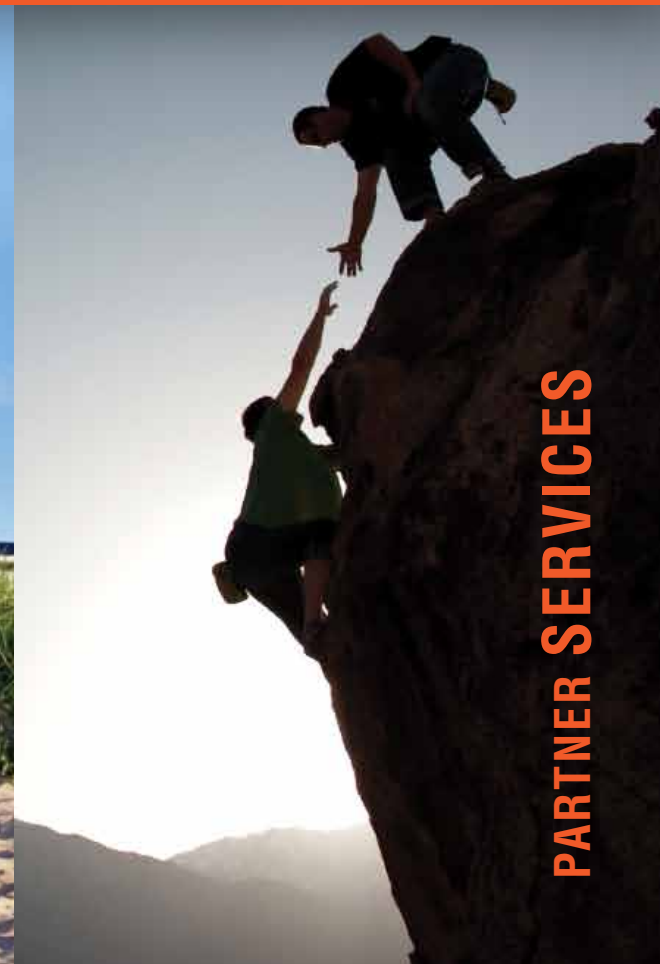

- Expand your travel offerings
- Create new revenue opportunities
- Reduce expenses
- Leverage technology

VacationRoost's Partner Services allow you the opportunity to focus on what you do best while upgrading your reservations operation to world-class levels.

We've spent the last ten years assembling the perfect mix of people, technology and travel product for a world-class central reservations operation and are now making that available to you via our Partner Services.

Benefits:

- New valuable revenue streams from 3rd party travel products
- Enhanced service offering and convenience for your guests
- Cost savings vs. in-house operations
- Industry leading technology and online customer experience

PARTNER SERVICES

ONLINE BOOKING ENGINE

CENTRAL RESERVATIONS

PRODUCT FEED

- New Revenue Streams
- Enhanced Product Offering
- One Stop Shopping

- Full Central Reservations
- Expert Customer Service Support
- Your Brand, Your Store

- Complete your product offering
- Integrate into your booking tools
- Offer unique vacation rental inventory

Supplement your online booking engine and offer your guests complete one-stop shopping for all of their vacation needs, including competitive rates on airfare, lodging, rental cars, airport transfers, lift tickets and local excursions. Earn valuable revenue by offering these travel products to your customers. Improve your close rate and customer retention by providing one-stop shopping for your customers.

Our team is now your team. VacationRoost's Destination Experts work behind the scenes to maximize your business. Our industry experts are available 12 months a year, 7 days a week. Full integration of VacationRoost's technology into your operating systems allows you to eliminate the costs of reservations management, office space, seasonal recruiting, and phone and technology.

Compliment your online booking engine and product offering with VacationRoost's access to travel inventory and products. Need to add airport transfers or lift tickets? We have you covered. You choose what works best for your business and we'll help you integrate it into your customer shopping experience.
